

Course Syllabus

Organic Chemistry—CHEM 2218—section 601, 602, 603, 604 and 605

Instructor: Sean P. Hickey
College: University of New Orleans
Semester: Spring 2010 Credit Hours: 3
Class Time: **Lecture—MW 6:00-7:15**
Texts: Lecture—Organic Chemistry by Solomons & Fryhle, 9th Ed.
Office: UNO CSB 112
Office Phone: 280-1273 (or email at spickey@uno.edu)
Office Hours: 4:30-5:30 MW and after class
Prerequisite: Completion of Organic Chemistry II (CHEM 2217)
Class website: <http://edugen.wiley.com/edugen/class/cls158731/>

Course Description:

This is the second semester of Organic Chemistry. This course completes most chemistry requirements for pre-professional degree programs.

Grading and Classroom Procedures:

A missed test or assignment will be a zero unless there is an excused, documented absence. If you must miss test, attempt to let me know ahead of time. The drop date is **January 29th for nothing to appear on transcript** and **April 5th for W**. There will be five lecture tests and a final exam. The five exams will be worth a total of approx. 900 points. The final exam is cumulative and worth 450 points. Homework, quizzes, recitations and wileyplus...will be worth approx. 450 points. Maximum points for the course is 1800 points. There will be no make-up tests except under extreme circumstances. The missed points will be made-up on the next test or final. Late homework will result in a lowering of grade. You are on your honor to do your own work. Cheating will result in a zero or failure for the term. Extensive use is made of blackboard. So be prepared to check blackboard frequently for class updates and documents. Email will be sent from blackboard so make sure your email address is updated with the UCC and check it daily. Final grades will be based on total points earned during the semester:
A is 1620-1800; B is 1440-1620; C is 1260-1440; D is 1080-1260; F is < 1080

Individual point totals may change slightly depending on unforeseen circumstances.

Study Methods:

There will be some formal homework assigned for lecture. However, a standing homework assignment will be to read the chapters before coming to lecture. By reading the chapter you will be better prepared to ask questions on the material and will be better able to understand the material being lectured.

Cell Phone Utilization Policy:

Cell Phone usage is prohibited in class. Cell phones must be silenced upon entering the classroom. Cell phones may not be used as calculators or for note taking. Any type of cell phone utilization can be cause for dismissal from class. Any exceptions to this regulation must be cleared with the instructor prior to the beginning of class.

Academic Dishonesty:

Academic dishonesty includes, but is not limited to, cheating, plagiarism, collusion, academic misconduct, falsification, fabrication, and the attempt to commit such a violation. **A student involved in academic dishonesty will receive a zero for that work.** Based on the severity of the violation, academic dishonesty may be reported by the instructor to the appropriate authority.

Attendance Policy:

Excessive absences can result in lowering of the student's final grade.

Schedule:

January	11	Introduction; Syllabus; Wiley Plus; Chapter 13
January	13	Chapter 13
January	18	MLK Holiday
January	20	Chapter 14
January	25	Chapter 15
January	27	Chapter 15
February	1	Test #1 (Chapters 13-15)
February	3	Chapter 16
February	8	Chapter 16
February	10	Chapter 17
February	15	Mardi Gras Holiday
February	17	Chapter 17
February	22	Chapter 17
February	24	Test #2 (Chapters 16-17)
March	1	Chapter 18
March	3	Chapter 18
March	8	Chapter 19
March	10	Chapter 19
March	15	Test #3 (Chapters 18-19)
March	17	Chapter 20
March	22	Chapter 20
March	24	Chapter 21
March	29	SPRING BREAK HOLIDAY
March	31	SPRING BREAK HOLIDAY
April	5	Chapter 21
April	7	Test #4 (Chapters 20-21)
April	12	Chapter 22
April	14	Chapter 22
April	19	Chapter 23
April	21	Chapter 23 and 24
April	26	Test #5 (Chapters 22-24)
April	28	Final Review
May	3	Final Exam
